

NOTICE OF THE FEBRUARY 2024 BAR EXAMINATION RESULTS

April 23, 2024

Notice is hereby given that the list published herewith contains the names of the 298 successful applicants who sat for the District of Columbia Bar Examination, administered on February 27 & 28, 2024 to 667 applicants. This represents a 44.6% pass rate overall.

All applicants have been notified of their results. A completed character and fitness review, and proof of an MPRE minimum score of 75 are required before an applicant may be approved and certified for admission.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on moral or ethical grounds be furnished to the Committee on Admissions on or before May 3, 2024.

Certification notices will be sent via email beginning on May 6, 2023. Applicants may be sworn in, *in absentia* in any jurisdiction upon receiving the certification notice. Complete instructions regarding the swearing-in process will be provided with certification notices.

Individuals whose names do not appear on this list should be aware that pursuant to D.C. App. Rule 46(c)(12), they are entitled to an opportunity to examine their essay papers. Access will be made available on-line through each applicant's laptop registration account April 30, 2024 through July 30, 2024.

Please note that under UBE rules and Rule 46 (as revised effective March 2016), the Committee can no longer accept petitions by applicants for reassessment of their scores; the scores are final.
