

NOTICE OF THE JULY 2025
BAR EXAMINATION RESULTS

November 3, 2025

Notice is hereby given that the list published herewith contains the names of the 1770 successful applicants who sat for the District of Columbia Bar Examination, administered on July 29 & 30, 2025 to 2212 applicants. This represents an 80% pass rate overall.

All applicants have been notified of their results. A completed character and fitness review, and proof of an MPRE minimum score of 75 are required before an applicant may be approved and certified for admission.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on moral or ethical grounds be furnished to the Committee on Admissions on or before November 14, 2025.

Certification notices will be posted to applicant accounts beginning on November 17, 2025. Applicants may be sworn in *in absentia* in any jurisdiction upon receiving the certification notice. An optional virtual swearing in ceremony will be held in January, 2026. Complete instructions regarding the swearing-in process will be provided with certification notices.

Individuals whose names do not appear on this list should be aware that pursuant to D.C. App. Rule 46(c)(12), they are entitled to examine their essay papers. Access will be made available online through each applicant's laptop registration account November 7, 2025, through March 7, 2026. Applicants who handwrote the exam will be given special instructions on or before November 7th.

Please note that under UBE rules and D.C. App. Rule 46 (as revised effective March 2016), the Committee can no longer accept petitions by applicants for reassessment of their scores; the scores are final. There is no appeal of scores.

A handwritten signature in black ink, appearing to read "EAG", is placed over a light gray rectangular background.
