NOTICE OF THE JULY 2026
BAR EXAMINATION RESULTS

October 28, 2026

Notice is hereby given that the list published herewith contains the names of the 1666 successful applicants who sat for the District of Columbia Bar Examination, administered on July 28 and 29, 2026 to 2222 applicants. This represents a 74.9% pass rate overall.

All applicants have been notified of their results. A completed character and fitness review, and proof of an MPRE minimum score of 75 are required before an applicant may be approved and certified for admission.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on moral or ethical grounds be furnished to the Committee on Admissions on or before November 12, 2026.

Certification notices will be posted to applicant accounts beginning on November 12, 2026. Applicants may be sworn in *in absentia* in any jurisdiction upon receiving the certification notice. An optional virtual swearing-in ceremony will be held on January 20, 2027. Complete instructions regarding the swearing-in process will be provided with certification notices.

Individuals whose names do not appear on this list should be aware that pursuant to D.C. App. Rule 46(c)(12), they are entitled to examine their essay papers. Access will be made available online through each applicant's laptop registration account from November 16, 2026, through February 15, 2027. Applicants who handwrote the exam will be given special instructions on or before November 16th.

Please note that under UBE rules and D.C. App. Rule 46 (as revised effective March 2016), the Committee can no longer accept petitions by applicants for reassessment of their scores; the scores are final. There is no appeal of scores.
