

NOTICE OF THE July 2022
BAR EXAMINATION RESULTS

October 19, 2022

Notice is hereby given that the list published herewith contains the names of the 1166 successful applicants who sat for the District of Columbia Bar Examination, administered on July 26-27, 2022 to 1622 applicants. This represents a 72% pass rate overall.

All applicants have been notified of their results. A completed character and fitness review, and proof of an MPRE minimum score of 75 are required before an applicant may be approved and certified for admission.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on moral or ethical grounds be furnished to the Committee on Admissions on or before October 31, 2022.

Certification notices will be sent via email beginning on, November 1, 2022. Applicants may be sworn in, *in absentia* in any jurisdiction. The virtual swearing in ceremony will be held on January 25, 2023. Complete instructions regarding the swearing-in process will be provided with certification notices.

Individuals whose names do not appear on this list should be aware that pursuant to D.C. App. Rule 46(c)(12), they are entitled to an opportunity to examine their essay papers. Access has been made available on-line through each applicant's laptop registration account beginning October 14, 2022 through January 14, 2023.

Please note that under UBE rules and Rule 46 (as revised effective March 2016), the Committee can no longer accept petitions by applicants for reassessment of their scores; the scores are final.
