

NOTICE OF THE July 2021
BAR EXAMINATION RESULTS

November 2, 2021

Notice is hereby given that the list published herewith contains the names of the 1609 successful applicants who sat for the District of Columbia Bar Examination, administered on July 27 & 28, 2021 to 2200 applicants. This represents a 73% pass rate overall.

All applicants have been notified of their results via email. A completed character and fitness review, and proof of an MPRE minimum score of 75 are required before an applicant may be approved and certified for admission.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on moral or ethical grounds be furnished to the Committee on Admissions on or before Friday, November 12, 2021.

Certification notices will be sent via email beginning on, November 30, 2021. Applicants may be sworn in, *in absentia* in any jurisdiction. Complete instructions regarding the swearing-in process will be provided with certification notices.

Individuals whose names do not appear on this list should be aware that pursuant to D.C. App. Rule 46(c)(12), they are entitled to an opportunity to review their essay papers. Instructions for requesting access to essay papers will be posted on the Committee on Admissions website.

Please note that under UBE rules and Rule 46 (as revised effective March 2016), the Committee can no longer accept petitions by applicants for review of their scores; the scores are final.
